Re: United States v. Terrence Brooks
Criminal Docket No. 08-591 (ILG)

Dear Judge Glasser:

As the Court is aware, a violation of supervised release hearing is scheduled in the above-referenced matter on July 10, 2012 at 10:30 a.m. At the hearing, the government had intended to call Police Officer Joel Rosenthal, the officer who arrested the defendant. However, Officer Rosenthal informed the government yesterday that he has already been scheduled to appear as a witness in a state court trial on July 10, 2012. While the government is prepared to go forward with the hearing on July 10 with a witness who can provide hearsay testimony regarding Officer Rosenthal's observations, the government would prefer to provide the Court with Officer Rosenthal's first-hand testimony. Thus, the government respectfully requests that the Court

postpone the hearing until the following week or another date that is convenient for the Court. I have contacted defense counsel and she has stated that she has no objection to this request.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
